LCIF • EMPOWERING SERVICE™

## District 27-A1 “Lions Serve the World”

Our District 27-A1 Convention Committee extends a warm welcome to all gathered this weekend at the beautiful Grand Geneva Resort and Spa in Lake Geneva. With the many things you could be doing, it's terrific that you chose to spend your time with fellow Lions reconnecting, making new friends, sharing your experiences and exploring new opportunities to serve.

International President Choi is emphasizing Diversity of Service and District Governor Deborah challenged our Committee to share the diversity of our amazing Lions service. Convention is a perfect opportunity for us showcase that – sharing our diverse service stories. To that end we've invited Clubs to share their unique approach to address a need in their community. We encourage you to listen to Saturday's Sharing Our Service session and consider how your Club might develop a unique approach to address a need in your community.

International Director Steve Thornton and his spouse, Lion Becky, join us from Wooster, Ohio. Flip to page 2 to read Director Steve's biography. There will be many opportunities for you to meet and speak with Director Steve and his wife, Becky, over the weekend. We look forward to hearing about his experiences and insights to service.

I would also like to recognize the work of many Lions, along with the Staff at the Grand Geneva Resort, in making this event the success it is. Co-Chair Lion Casey and each of our Convention Committee members, have spent extra hours for you – our more than 1,800 District 27-A1 members, family and friends – to provide a forum where you can develop your leadership potential, expand your networking, and possibly, create a spark leading to new service opportunities. Please join me in thanking them for taking extra time from their busy lives to make this happen for YOU.

District Governor Deb wants each of us to recognize that by combining every act of service, we can transform our communities. Her words echo the often quoted Helen Keller: “Alone I can do only so much; together we can do so much more.” On behalf of our District 27-A1 leadership team, District Governor Deborah, 1st Vice District Governor Don and 2nd Vice District Governor Larry...welcome. Enjoy convention. Our best wishes for safe travels as you return home.

***PDG Sharon Eberhardt***

2020 Convention Chairperson

A Lion since 1980, he has called the Wooster Noon Lions Club home since 2003. Director Thornton has held a number of positions in the association including district governor, multiple district council chairperson and district GMT membership chairperson. ## DEBBIE CONDON

*2019-20 27-A1 District Governor*

Welcome Lions, Leos and Guests to the 42nd Annual 27-A1 District Convention!

Our convention gives all the Lions in our district the opportunity to network, learn and of course have some fun. If you are new to our District Convention, welcome, and join in on the first-

timers fun. If you are an experienced convention attendee, please join in on the seminars for a learning experience and take the opportunity to network with other Lions in our district. Our District Convention Committee lead by IPDG Sharon Eberhardt and Lion Casey Thornburgh have worked tirelessly to make sure there is something for everyone.

Join me in a warm 27-A1 welcome to International Director Steven Thornton and his wife Lion Becky from Wooster, OH. Join us at the Lion's Luncheon where ID Steve will be our keynote speaker, giving us more insight into the current happenings at the International level. Take the opportunity to say hello as you see Director Steve and Lion Becky in the halls. I would also like to give a shout out and sincere thank you to all of our cabinet members. They work behind the scenes 365 days a year to keep our district moving forward.

Most of all I would like to THANK all of our district Lions who serve their communities and the world. Your journey of service is commendable.

Always Remember: "Small acts, when multiplied by millions of people, can transform the world".

*Together in our Journey of Service.*

## **DISTRICT DUCK**

“Mr. Duck” was hand carved by Donald Streich as a gift for Dr. Thomas Kidder, who had treated Mr. Streich’s health problems. Mr. Streich is diabetic, blind, hearing impaired and suffers from chronic arthritis.

In 1994, Dr. Thomas Kidder presented “Mr. Duck” to the District 27-A1 convention to raise money for Lion’s Charities. “Mr. Duck” as auctioned to a winning bid to Lion Lenny Weiss.

In 1995, Lion Weiss brought “Mr. Duck” back to the district convention complete with case to be auctioned annually to the Lions Club presenting the highest bid. That club would have the privilege of displaying “Mr. Duck” in the community. Hence the name “District Duck”.

**Kathy's House** is a hospital guest house that provides affordable lodging and caring support for patients and their families who need to travel to Milwaukee for medical care.

Since opening in 2001,  
we have served 19,000 guests.

*// Kathy's House provided us a shelter in the storm. It was a safe and calm place where we would relax, unwind and rest after a stressful day. While Froedtert Hospital and the Medical College of Wisconsin took care of our physical needs, Kathy's House provided emotional care. //*

—Mary Gronnert Kollross

Mary and Henry Kollross of Green Bay, stayed at Kathy's House for three months when Henry received a bone marrow transplant at Froedtert Hospital.
