Dear Lions, Leos, and Friends,

On behalf of the Convention Planning Committee, we extend a warm welcome to each of you at the 47th Annual 27-A1 District Convention! We are thrilled to have you join us for this exciting event, united by our shared mission to serve and make a difference.

The theme of this year's convention, "**Take Action, Serve,**" serves as a powerful reminder of the impact we can create when we act with purpose and passion. It's not enough to simply talk about the challenges we face in our communities; we must **take action** to address them. And in doing so, we will **serve** with integrity, compassion, and determination.

Throughout this convention, we will have the opportunity to engage with one another, share ideas and learn from inspiring speakers. We hope that you will find inspiration in every session and leave with new tools and connections to continue your important work in service to others.

The Convention Planning Committee has worked tirelessly to ensure that this event is filled with valuable opportunities for growth, fellowship, and fun. We've designed this convention to empower you as a Lion, a leader, and a force for good.

Thank you for your unwavering commitment to service and for your continued dedication to the Lions Club movement. Together, we are stronger, and together, we can achieve lasting change. Let this convention be a reminder that when we **take action** and **serve** with heart, we can transform lives and shape a brighter future for all.

I would like to recognize the hard work of many fellow Lions along with the staff at the Ingleside for their efforts for this event. We hope you enjoy the convention, make lasting connections, and leave inspired to take your service to the next level.

Welcome to the 47th Annual 27-A1 District Convention!

With warm regards,

*Lion Jackie Bordak*

# Happy Retirement Evett!

**Our Executive Director, Evett, has announced her retirement effective December 31st of this year. If you get a chance to talk with her this weekend, wish her a Happy Retirement!**

## **District 27-A1 Lions,**

This is the last A1 District Convention I will be attending in my official capacity as Executive Director of the Wisconsin Lions Foundation.

My retirement date is just a month short of 28 years of service to not only the WLF Board members and Staff, but to all Wisconsin Lions, including you in District A1.

During that time, I attended over 25 A1 District Conventions, served under 3 Presidents from your District, as well as many of your WLF District Directors. It certainly was an honor and privilege for me through the years, and I thank each of you for your support along the way.

At this time, I have no specific plans for retirement but rest assured, Lions will remain a big part of it!

# Thank you!

# DISTRICT DUCK

“Mr. Duck” was hand carved by Donald Streich as a gift for Dr. Thomas Kidder, who had treated Mr. Streich’s health problems. Mr. Streich is diabetic, blind, hearing impaired and suffers from chronic arthritis.

In 1994, Dr. Thomas Kidder presented “Mr. Duck” to the District 27-A1 convention to raise money for Lion’s Charities. “Mr. Duck” was auctioned to a winning bid to Lion Lenny Weiss.

In 1995, Lion Weiss brought “Mr. Duck” back to the district convention complete with case to be auctioned annually to the Lions Club presenting the highest bid. That club would have the privilege of displaying “Mr. Duck” in the community. Hence the name “District Duck”.

## Introducing . . . The District Goose

The District Membership Goose Award will be presented for the first time at our 27-A1 District Convention in 2026.

This award will recognize a club for its excellent membership growth and retention. All clubs in good standing are eligible for the District Goose. The award is based on the best **Net Growth Percentage**, so Clubs of all sizes have an equal opportunity to earn this prestigious recognition. Keeping current membership, while also adding new members, will be the key to winning it!

Final tallies will be based on Club membership as of June 30, 2025, from the year-to-date net growth column on the Club Health Assessment report.

### *Let’s grow our clubs and our district!*

A plaque will accompany the Goose, displaying the Club winner from each year.

Thanks to Lion Carpenter PDG Carl Marquardt for building a display case to house the Goose.

## Tribute to the late DG Kerrie Molter

It is with a heavy heart that I pay tribute to our dear friend and fellow District Governor, Lion Kerrie Molter, whose untimely passing has left an indelible void in all our hearts.

Kerrie and I met at District conventions and deepened our connection through our shared experiences at the USA/Canada Forums. During this past year that our bond grew. Together, we navigated the hours of training and preparation required to serve as District Governors—a journey that not only sharpened our skills, but also solidified our camaraderie.

One of the most cherished memories we shared was our installation trip to Melbourne, Australia. It was there that our Council of Governors became a tightly knit family, united by a common heart for service. Kerrie's warmth, infectious energy, and genuine kindness touched everyone she met. She was the bond that radiated warmth and light to our group, reminding us of the joy and purpose we find in serving others.

This year's Council of Governors will forever feel incomplete without her. Kerrie's spirit and legacy will continue to inspire us.

In Service and Remembrance, District Governor *Lion Ray Jones*

*Kerrie was a Genoa City Lions associate member and was serving as District Governor for 27-C2.*
